

Hebden Bridge Disability Access Forum (HBDAF) – Accessible Venues guide

This is a brief guide to which venues for hire, might be suitable for community groups, classes, meetings, events or activities, to be accessible to disabled people. It is a work in progress, please let us know of any information to add or alter, HBDAF contact 01422 844914. Please consider using only accessible venues, to make Hebden Bridge a truly inclusive community. And encourage other venues to adapt! Thank you.

We have tried to be accurate but cannot guarantee this, so please check carefully all details which are relevant to you, with the venue contact person, before booking. Thanks to all of them for their help.
