

HEBDEN BRIDGE FESTIVALS & EVENTS 2020

IMPORTANT NOTICE: Because events in March/April/May and beyond may be affected by government guidance related to Coronavirus, please always check with their organisers using the contact details provided. But remember: there are plenty of places around Hebden Bridge where walkers, cyclists and visitors won't come into contact with a soul. Make your own judgement – and always follow advice - but a healthy day's recreation out in the open air will do you the world of good.

This list is produced in conjunction with the *Hebden Bridge Visitor Guide* which can be downloaded at www.hebdenbridge.co.uk/tourist-info/pdf/Hebden-Bridge-Tourism-Guide-2020.pdf
The Festivals & Events list download is at www.hebdenbridge.co.uk/tourist-info/pdf/festivals.pdf
The pdf of the Guide contains live links to What's On pages including <http://hebdenbridge.org/events> where you can find out what's happening during your visit.

Please note: The information here is supplied in good faith, as at February 2020. It covers the period March-September 2020. Please use the links and information provided to check with event organisers to confirm dates & times. Events marked TBC are still to be confirmed. The Festivals & Events list will be updated throughout the year.
